PAUL H. GALLAGHER

This is in response to Office Letter dated 4/09/2004 in  
the above application

In that Patent Office Letter, the Examiner stated that the  
amendment filed December 1, 2003 was unsigned.

Attached to the present letter is a complete copy of that  
amendment properly signed.

Because of possible confusion of papers lately filed in the  
application, it is pointed out that the attached amendment contains  
14 pages each of which is signed.

The present letter consists of 1 page.

It is believed that the application is now allowable, and  
notice thereof is requested.

Respectfully,

*Paul H. Gallagher*
